Emerald Lake Blaze Misses Wedding Cake

A fire in the Emerald Lake home of a newly-wed couple late Tuesday did damage estimated by firemen at \$1500.

Firemen confined the flames to the kitchen and kept it from damaging the wedding cake in the breakfast nook.

Health Store To Open in SC

Mr. and Mrs. Joe Crown of San Carlos will open their new Health Food Store at 1344 El Camino Real, San Carlos on Dec. 5.

They moved to the Peninsula from San Francisco because of the climate and their belief in the future growth and prosperity of the Peninsula, they explained.

They will carry a full line of salt free, sugar free foods for those on a special diet as well as vitamins, cultured milk food and juices.

Asst. Fire Warden Ernest Werder said that the fire was at the residence of Mr. and Mrs. Leland Osborne, 2445 Park Rd.

Osborne, a 22-year-old San Mateo Junior College student, was married on Nov. 20. He and his bride returned from their honeymoon last Wednesday to the house which they rented from Roy E. Lewis, 2453 Park Rd.

Neither Osborne nor his wife were at home when the fire started.

Werder said that the fire started in the wall back of the water heater in the kitchen. The flames ate through the roof above the kitchen, but were halted in 20 minutes upon the arrival of three trucks from the county forest service.

Of the damage, \$1000 was to the house, and \$500 to the furnishings, firemen estimated.

Move 21 Youngsters To New Youth Home; One Boy Runs Away

The old county juvenile home on Lower Broadway was a deserted hulk today, with the opening of Hillcrest, the spanking new juvenile hall west of Belmont.

SC Policeman Joins Office Of Sheriff

Robert H. Cole, 33-year-old San Carlos policeman and former professional baseball player, today was named deputy sheriff in the office of James J. McGrath.

Cole, who lives at 168 Exbourne St., San Carlos, will replace William Clayton, who resigned today. Clayton has been in the sheriff's office since July, 1947. A former insurance investigator, he stated that he has secured another position, and plans to reenter law school. Clayton is 24 and lives at 1020 Sheridan St., Menlo Park.

Chief Dep. Sheriff Walter Moore said that Cole will report for duty on Dec. 13.

Since July, 1946, Cole has been in the San Carlos Police Dept. and prior to that time worked for the Wisconsin Lumber Co., San Mateo. For a year during the war he served in the navy as a radarman aboard a troop transport. For six months before entering the navy he worked for the Wise and Nolan Co., Belmont, as a radar assembler.

For four years, from 1935 to 1939, Cole was a professional ball player, playing with the San Francisco, Tacoma, Vancouver and other Pacific Coast clubs.

The civil service commission reported that Cole stood at the top of the eligible list.

Twenty-one boys and girls moved to their new quarters late Monday afternoon, some of them reluctantly.

One of them didn't move at all. He is a 15-year-old Redwood City boy who was in the juvenile home as a chronic runaway. Two hours before the move was completed, he lived up to his record.

While a supervisor was taking the children back to the old building after a recreation period, the boy kicked open the gate of the recreation yard, ostensibly to recover a baseball.

When he got outside, he kept on going.

Probation officers said that there was quite a bit of tension among the children over the expected move to the new 350,000 building.

Some of the boys thought their new quarters would be "too luxurious"—not enough like home. But today they apparently were reconciled to the luxury.

During the move, two windows of the old juvenile home were broken and an old mattress or two torn up. The damage, however, was slight compared to previous wear and tear on the old building, built 75 years ago and condemned 25 years ago as a county jail.

At least a dozen windows are broken, some because the sashes have rotted away.

Radio loudspeakers have been yanked from the walls, leaving gaping holes. Plaster has scaled off. The floors and stairways are rickety. Viewed from the inside, it is hard to understand why the building has not collapsed.

L. E. Werder, Redwood City real estate man who negotiated the sale of the property from the county to the Land Development Co., said that the one-time jail will be torn down.

He refused to confirm rumors to the effect that the site will be used for a hotel. Nothing definite has been developed, he declared, and the county has not given official notification that it has relinquished title to the property.

Werder said that he did not know what lay in store for the adobe building next to the juvenile home. The adobe building had been headquarters for the County Agricultural Dept., which recently moved to new quarters at Pine and Heller Sts.

The new juvenile hall presents a far cry from the old. It was designed to be a showplace among juvenile homes. It has a total of 75 rooms, 22 of them the bedrooms of boys and girls. If necessary, double-decker bunks can be placed in the rooms to double the capacity.

Hot-Rod, Scooter Curbs Planned

A countywide mass meeting to develop ways and means of controlling hot-rod cars and motor scooters was called for next Monday night at the San Mateo County Courthouse, it was announced today by Mrs. Bessie B. Hays, secretary of the San Mateo County Traffic Safety Commission.

"The County Traffic Safety Commission heartily endorses the proposal made by Chiefs of Police R. C. (Jack) Theuer and Robert E. O'Brien to gain parental control of these road menaces and we will place our entire resources at the disposal of the police in a sustained drive to eliminate their use."

"The needless killing and maiming of San Mateo County young people during the past year as the result of reckless driving and speeding in these cars can and must be stopped," Mrs. Hays declared.

Woman Dies From Polio In Belmont

With San Mateo County's infantile paralysis apparently starting to wane, the county today recorded its 99th case and sixth death.

Dr. Harold Choep, county health director, said that Mrs. Olive McDevitt, 32-year-old mother of four children, died in a respirator at Community Hospital a few minutes before midnight Tuesday.

Mrs. McDevitt, 1148 Villa Ave., Belmont, was taken to the hospital Sunday, Dr. Choep said. A few days earlier, she was slightly ill, developed a weakness, then had difficulty in breathing.

Survivors include her husband, Joseph McDevitt, a San Francisco real estate operator, and the four children, Jane, 6, Joseph, 3, Katherine, 2, and Nancy, 5 months.

Mrs. McDevitt was the last person to develop polio in the county, and the first in more than a week. Her case raises the November total to 25, only two below the October record of 27.

Thompson Will Filed for Probate

A petition to probate the will of William W. Thompson, retired road contractor, who died Nov. 11, was filed today in superior court here.

The will was filed by Mr. Thompson's widow, Mrs. L. May Thompson, 48, Claremont Ave., and his daughter, Mrs. F. Holmquist, 2211 Brewster Ave.

The annual Roundup Rally at which a court of honor will be held and the council president's award presented will be held in McKinley School at 7:30 o'clock tonight.

A varied program has been prepared. Every boy, whether Cub, Scout or Senior Scout, who has joined the organization since Sept. 1, will be recognized.

The Roundup will open with the massed colors of the troops and packs. After the traditional ceremonies a Bobcat induction and Tenderfoot investiture ceremony will be conducted by the members of the Niskatune Troop 46 of Palo Alto. Neighborhood Comdr. Stan Marcus will open the court of honor at which there will be awards of merit badges, and Star, Life and Eagle Palm awards.

The Eagle Scouts Fraternity, the Knights of Dunamis, will officiate at the Eagle presentation ceremony. Four scouts, Kent Holmes of Troop 154, San Carlos, Lavis Munday, Bob Weckerle and Don Smith of Troop 153, San Carlos, will receive the Eagle medal, the highest award in Scouting.

After the close of the court of honor the Niskatune Tribe will present Indian dances. Cowboy songs will be sung, accordion selections given and a color movie shown of last year's World Jamboree in France.

All Cubs, Scouts, Senior Scouts and Scouters are invited to attend, as well as their parents and friends. One of the highlights of the evening will be the presentation of council president's award ribbons to units which have met their membership objectives.

A round table for scout leaders and committeemen was held in McKinley School yesterday. The discussion, led by Asst. Scout Executive Chet E. Wilson, concerned objectives and program for 1949.

The annual council meeting of the San Mateo County Area Council, Boy Scouts of America, will be held in Brewer Hall of St. Paul's Church, Burlingame, on Thursday, Dec. 9. Officers for the coming year will be elected.

Leroy Harbaugh, scribe of Troop 120, Redwood City, reports that his troop helped Santa Claus at the Christmas party last Saturday. A troop hike is set for tomorrow and all members are to be at the Roundup Rally tonight. Thomas Collins has qualified for merit badges in public speaking and leathercraft.

Why present low telephone rates must be increased

We're forced to apply for increases because we, too, are up against the problem of rising costs.

Here's the story:

Telephone rates have gone up much less than most other things

Most businesses throughout the land have had to raise their prices a great deal... as the examples on the chart show.

But telephone rates, which were not generally increased between the 1920's and 1947, have gone up little even in these postwar years. The average in California is 15%.

The amounts we are now asking will vary for different services...but will average about 14%.

Compared to the prices of other things you buy, telephone service will still be one of your greatest bargains.

For every telephone put in this year we have spent \$600

We're breaking records putting in new telephones in the face of high costs. The equipment needed to serve the average telephone in California before the war cost us \$243. But costs have shot up. Today we are adding equipment costing about \$600 for each new telephone.

To bring more and better service to California, Pacific Telephone has had to invest \$280,000,000 in new facilities since V-J Day. This is one of the largest construction programs of any business in the state.

And we should put millions more to work in California to meet your growing needs.

To attract more working dollars we must have reasonable rates

Where does the money come from... the money we invest in California? We have to compete with other businesses for it. It cannot come out of the rates you pay for service. It must come from the savings of men and women all over the country. They want, of course, safety and a reasonable return on their investment. Or they won't invest.

Actual experience has shown that what we are earning in 1948 is not enough to attract the kind of investment money we need.

Pacific Telephone does not ask that it be allowed to earn one penny more than is required to do the job. But we must earn enough to do a good job for California.
